

Boom In Nazi Stamps Will Result From Allied Occupation

We quote the following article from the stamp page of the New York Journal American.

"It is illegal now in Germany for anyone to buy, sell or exchange any of the 400-odd stamps issued by the Nazi regime from 1933 to 1945.

"The law to this effect, which was drawn in Berlin by representatives of the four occupying powers, also orders that all official stocks be destroyed. In Berlin the stocks of the main and districts post offices, as well as minor postal agencies, are being moved to one central spot and burned. The same steps are to be taken in the various occupation zones.

"In the Russian zone, all dealing in Nazi issues has been banned for weeks. At the Leipzig Fair in May, anyone who offered Nazi stamps for sale was liable to a 20,000-mark fine.

"Occupation authorities have announced severe penalties for those breaking the law against transferring ownership of these stamps. Infringers may find themselves spending from one to five years in prison, or paying a fine from 1,000 to 50,000 marks or both.

"One occupying power has gone further and insisted that all dealers' stocks of these issues shall be confiscated.

"Germany's black market in Nazi adhesives is mushrooming, prices are soaring and Berlin dealers are madly rushing about trying to buy 'Hitler Heads' and 'Brown Bands' as a result of the law, according to the British monthly, The Stamp Magazine. The repercussions are expected to be felt outside of Germany, too."

"It is this situation has come to pass, prices on the material involved will soar to unexpected heights. Stamp collectors are not so biased as to follow in the footsteps of the men responsible for such a ridiculous order. If stamps must be destroyed to wipe out the 'stench' of Germany, why not take the whole country out and drop it in the ocean. There is just as much reason as to destroy these stamps. Better by far that they be confiscated under guidance of an experienced philatelist and the proceeds from their sale used to feed the hungry.

"It's An Old Spanish Custom"

Pictured above is a first day cover from the Argentine Republic, we note the stamp is a 5c blue and bears an inscription at the base, in very small block letters, reading "4 DE JUNIO DE 1946 / TRANSMISION DEL MANDO PRESIDENCIAL". The stamp is canceled with an attractive oblong box within which is a post horn and the wording "DIA DE EMISION". At the left side of the envelope is a nicely lithographed cachet which pictures the re-elected president Juan D. Perone and the vice president elect, Hortensio J. Quijano. Below this is an inscription which proclaims these men as president and vice-president of the nation for the period 1946-1952. The cancellation date on this cover is June 4, the date that these men took office or were elected, we do not recollect which, but that is immaterial. The point is that these specially lithographed envelopes were evidently prepared in advance for the event which in the mind of President elect Perone must have been a foregone conclusion, thus we recognize this event as "An old Spanish Custom."

Our thanks to Miguel A. Callegro of San Francisco, for the cover.

Direct Air Mail Service New York-Buenos Aires Inaugurated

The inauguration of direct air mail service between New York and South America via San Juan, Puerto Rico, on July 15, set a new precedent in international communications by making it possible for letters to reach the Argentine a day and a half after they leave New York.

Air mail to the Argentine was inaugurated over F. A. M. 9, across Panagra's (Pan American-Grace Airways) west coast route on October 8, 1929. In February of the following year, the short-lived NYRBA line initiated northbound service from the Argentine and Brazil to Miami, and on October 26, 1931, Pan-America's east coast route which had been operating as far south as Santos, Brazil was extended all the way to Buenos Aires.

At that time equipment consisted of flying boats which landed in waterway harbors, and because

many navigational aids were unknown, the transport time consumed five full days. Since then, Pan American has instigated improvements of both aircraft and landing facilities to constantly shorten the time between the United States and these Latin American capitals.

OPEN AIR STAMP BOURSE WAS HUGE SUCCESS

The first open air exhibition of stamps in the San Francisco Bay Area and probably in the United States was held by the East Bay Collectors' Club in Lakeside Park, Oakland, California on Sunday, July 21. Nearly a thousand people visiting in the park viewed exhibitions of thirty members who were seated at card tables with their stamps displayed in frames and in albums. The latest copies of stamp newspapers and magazines were also on display. Among those exhibiting were six junior members not yet in their teens. The exhibit was a complete success. In response to many requests from visitors the club hopes to hold several such informal shows during the remainder of the year.

Unit Album Pages For 1945 Are Ready

In the past months we have had dozens and dozens of inquiries concerning the Unit System Album Pages which we have offered for years past.

We want to use this space in talking about these album pages. When we moved to Sidney, we scrapped all old printed matter after selling out the material that was left from Columbus. At that time it was our intention to give up publication of these Unit System Album Pages, but we have found that our collector friends do not want this done, so many of them have repeatedly told us that this series of album pages was the best thing they ever saw and that we should continue the pages.

In order to care for those who already had the pages we did agree to print new pages each year so that they might keep their albums up to date. We started in by printing pages for 1941-2-3

Arrangements Complete For Big SPA Convention At Cleveland, In Aug.

The Cleveland Stamp Club S. P. A. Branch No. 8 is the host club to the national organizations 52nd Annual Convention in Cleveland August 14-18th. Dr. N. P. McGay and his fine committee have completed their work and the results looks like the finest national meeting of the S. P. A. in years.

The prospectus shows eight sections, with ten groups of United States, four foreign groups, two air mail groups and four for pre-cancels. There is also a fine junior exhibit section, a war covers section and the S. P. A. Research Award section under the chairmanship of Don Heath of Detroit.

The Presidents Trophy donated by President Vincent Domanski Jr. is being given for the best in the entire show-the grand award. The Treasurers Cup given by Steve Rich is for the First Prize in the War Covers exhibit of any war. The Fine Cleveland Stamp Club Cup is put for competition in the U. S. group while the Victory Cup, another Cleveland award will be given for the best in the foreign section.

In the Research division which has been handled during the year by Don Heath the J. Elmer Zinsmeister Award will be given. The Col Hans Lagerlof Award for the S. P. A. member who has done most during the year for the society will be given. Ed Vining and J. Elmer Zinsmeister were the first two winners. For the best branch publication of the year the Hil F Best Cup will be given. A Roosevelt Album will be awarded to the best junior exhibit. A cup for the pre-cancels is expected but the name has not been announced.

In addition to the cups, ribbons for the 1st, 2nd, and 3rd prize winners will be given where competition warrants it.

All frames should be asked for at once—write Dr. N. P. McGay at 1000 E. 105 Street, Cleveland, 8 Ohio. All exhibits must be in Cleveland by August 9 unless delivered in person and then must be given to the committee by 8 P. M. on August 14th.

"On-to Cleveland" is the watchword in S. P. A.

Double Print Invert Found On 5 Pence New Zealand Peace Stamp

What may prove to be another world rarity is the discovery of the 5 pence New Zealand Peace Stamp, with the airplane printed in both the normal position and also in an inverted position, making a double printing of the planes as well as inverted on the same stamp.
The second or invert printing is perfectly placed on the stamp. This error was naturally caused by the sheet being turned around

and put through the presses a second time.
The variety is reported by Major R. C. Dettman, of Swanbourne, Western Australia. It was discovered by the wife of his son in law. Efforts to locate other copies are being made. Thus far, the single copy is all that has been reported, but there was at least a sheet unless merely the edge of the sheet was double printed.
This stamp will rank among the world rarities and will be a far more rare item than our own invert 24c air mail stamp.
A discovery of this nature is always possible and collectors who have not yet scanned their set may do so now.

This is a solution for your block of four album or for any other type of album that you want. Do not get ridiculous ideas, ideas that your own train of thought should tell you are impractical. Get down to earth, adopt the tried and same way of mounting a collection, collect on blank pages and you have an album that will fit anything you care to collect.

WHO'S WHO IN STAMPS

by Lee Chadwick

BERNARD HARMER

The name of Bernard Harmer is synonymous with stamps on both sides of the Atlantic Ocean. Born in Maldon, Essex, England, on January 3, 1914, he was educated in Brighton on Britain's south coast. Except for a short time in Paris with a French stamp auctioneer and serving in the National Fire Service during the recent war years, Bernard worked with his father, H. R. Harmer, whose Old Bond Street offices he first entered in 1931.

Mr. Harmer tells us he always has been interested in stamps and virtually was born and bred on them because his brother Cyril and his sister Edith, as well as his father, were all in the business. In his youthful days, he adds, "stamps used to be all over the house." While his own interests have been general, Mr. Harmer from time to time has collected Barbados, Grenada, German States, airmails, used imperis, as well as Pigeongrams of the Great Barrier Islands and London-Windsor Coronation flights. At the moment, in what spare time he can find, he is busy with re-entries of the world.

Coming to this country last October to take over control of the American concern, H. R. Harmer, Inc., of East 57th street, Bernard Harmer gained fame overnight even to the non-collecting general public when pictures and articles regarding the Roosevelt sale which he handled swept through the magazines and newspapers. It may interest you to know that he is a licensed auctioneer both in New York and London.

Mr. Harmer was married to the former Marjorie Cornish in 1937. They have two children, Alison, now four, and Keith, born just ten days before he left for New York. His participating sporting interests hold to golf, occasionally ping-pong and the strictly English game of cricket. At last reports he was looking forward to finding someone willing to teach him bowling, which he fears may be at the risk of their life and/or limbs. As a spectator he enjoys American football, which he finds has many advantages over the English rugger, and was looking forward to big league baseball which no doubt he has seen by the time this appears.

In the matter of favorite foods Mr. Harmer says all food still tastes wonderful after six years of English rationing, although he prefers the French restaurants; says he likes "everything except lima beans, oysters (which I wish I liked) and caviar (which I can't afford)!"

When asked about his favorite vacation spot, Mr. Harmer kept in good with the coastal chambers of commerce by stating simply "anywhere on the coast" and "away from the crowds." This vacation season the latter sounds a bit improbable according to current reports but we wish him luck!

"THE STAMP GAME IN RUSSIA"

This extremely interesting article by Raymond Arthur Davies appeared in SCOTT'S MONTHLY JOURNAL for February 1946. It is of great interest to all collectors and a "must" for collectors of Russia, and who is not?

I have secured permission from the author and publisher to reproduce this account of personal observations on the spot in Russia and will send YOU a copy free and without any obligation whatever. No approvals will be sent or will follow unless you specifically request them.

Peverett's Catalogue Of The Stamps Of France

H. D. Peverett and Co., 161a Strand, London, W. C. 2, England have just released a catalogue of the stamps of France for the period 1940 to date. This booklet, about 6x9 inch size of 56 pages is beautifully printed and illustrated and filled with much valuable information on these issues. It is the most thorough such catalogue we have seen and lists the material in a thoroughly specialized manner. Pricing is in British currency thus readily understandable to the collector and on a rather sound basis.

Price for this catalogue is three shillings and six pence from the publishers.

THE MART

Wishes to offer the following explanation regarding our recent ad in which we claimed that Lawrence W. Case, editor of THE CASE BULLETIN suggested the Newfoundland "Two Cents" provisional as an investment.

It was our mistaken impression that Mr. Case suggested this stamp. Instead, Mr. Case suggested Newfoundland #257 as his idea of a good investment and not the 2c overprint. We still believe the 2c provisional overprint is a good stamp to own in any quantity, but we desire the stamp collecting public to understand that Mr. Case has NOT suggested this stamp.

and then we must have suitable large envelopes to put them in and mail them. For over two months we have been waiting on a shipment of ten thousand such envelopes but as yet have been unable to get them. We are promised these in August. Whether that means early in August or late in August we do not know, but until we have these envelopes we will not be able to package and offer these pages. That then is the story of the 1945 Unit System Album Pages. Be patient, as soon as we can get the envelopes for these we will offer them.

At the same time we want to announce that we intend to reprint all the other pages that we formerly offered in these groups. The first of these will be the pages for single commemoratives from 1893, the Columbian issue, up to 1940, thus bringing it fully up to date in our stock. The problem in doing this is to get a sufficient supply of paper. We have to print a large enough quantity of these to make the re-

A NEW SERVICE TO COLLECTORS & DEALERS

Being located in the heart of the stamp business we are in a position to act as Agents for those wishing to dispose of anything at all in the Philatelic field. To name a few general Groupings we have a constant call for:

1. Collections ranging in value from \$5.00 to \$1,000.00.
2. Sheets, Blocks and good single stamps.
3. Accumulations and Dealers' Stocks.
4. Mixtures of all sorts on or off paper.

Any item sent to us will be on display at our offices for ten days during which time bids will be accepted from interested parties. At the end of the ten day period you will be notified of the highest bid. You may then either accept or reject the offer. Of course, upon notification from you that the bid is unacceptable, your stamps will be returned promptly. The charge for this service will be just \$1.00 plus 10% of the amount realized. No charge if we fail to agree on the price.

May we in all earnestness ask you to give this system a fair try? We think we can make a go of it at the low charge of 10% if we get your cooperation. Here's a service that we believe is sorely needed. No peddling of the stamps on your part, no waiting 3 months for settlement at an auction.

Send a trial lot and convince yourself

THE STAMP MARKET

As Seen By
Mint Sheet Brokerage Co.

Judging from the numbers of offerings on early U. S. commems in full sheets that have been making their appearance lately, it begins to look like the stage is set for more and more collectors and accumulators to turn loose holdings between now and the opening of the exposition.

Within the past two weeks we have had two sets of fine sheets of Norse-American offered at \$250. and \$300. respectively. Simultaneously we find complete sets of both Lexington and Walloon suddenly available; likewise the 1c and 2c Pilgrim, with further material like the 1c and 2c value of both Pan American and Trans-Mississippi about to become available in the near future.

Latest recent commem to join the rank of favorites seems to be Corregidor, with everyone clamoring for large blocks of sheets, and a very thin market resulting from the heavy demand.

THE U.S.A. TITLE PAGE

By the time this advertisement appears, all those who had ordered the U. S. Title Page previously, will have received this magnificent work of art. I know quite well what the response will be. It is fascinating to watch the reaction of those who see either the original or the beautiful reproductions of the U. S. A. Title Page for the first time!

May I suggest that the U. S. Title Page would make a most unusual and most welcome gift and matters little whether the recipient is or is not a stamp collector. If he isn't, chances are excellent there will be a new convert to our hobby.

Now is the time to order a quantity of these pages in order to get the limited first edition which will never last till Christmas of this year. The price is \$1.10 each. Pages autographed by Arthur Szyk are \$10.00 each, however every order for 10 pages (cost \$11.00) will have one of these autographed as long as supply lasts.

Dealers are invited to order 20 to 100 either for resale or simply to give away to their favorite customers. The amount of goodwill such a fascinating gift would bring will far more than offset the cost. I have a special wholesale rate for dealers. Enquiries welcome. A sample page will be sent on request for your approval.

I have just received word from New York that Arthur Szyk has completed the Canada page. Just how it is possible, I do not know, but Mr. Szyk assures me the Canada page is many times more beautiful than the U. S. page, in fact, he is quite certain the Canadian page is the most beautiful piece of work he has ever done! (Long ago the great British newspaper "The London Times" made the flat assertion that certain illustrations done by Mr. Szyk were the finest ever created by man in any century.)

There is no doubt now that with Mr. Szyk's enthusiasm for this work these Title Pages will be the artistic sensation of this century. The U. S. A. Title Page is a marvelous example of what is forthcoming.

The Canada Page will, of course, not be distributed for several months as it is a long slow job to turn out the fine reproductions.

The third page in line will be probably for Poland and here again there should be something most unusual as that is Arthur Szyk's native country.

Keep in mind only the U. S. page is for sale separately. The much smaller editions for the next 10 pages will be sold only as one lot, delivery as fast as each page is ready. Cost at present \$11.00 for the next 10. Payment either in installments or all at once. In the latter case the customer will receive one autographed page (worth \$10.00 alone) plus the other 9 all for \$11.00 to compensate for the long delay before the last of the next 10 is received.

Don't forget to add 18c (to cover cost of cashing) if your remittance is by check in any form.

For those who have not followed this column closely the details are as follows. The Convention will be held at the Seneca Hotel, Columbus, Ohio August 8th through 11th. A bourse exhibition and auction have been planned and other attractions found only at a precancel Collectors Convention. As mentioned before, whether you are a member of the PSS or Central Ohio Precancel Club or not, you are welcome to come and look the gang over. I would be greatly pleased to meet some of my Linn's readers at the Convention. Why don't you drop in at the Seneca at least one of the days of the meet.

Notes.
Town and Type collecting is still tops in the Precancel World. And take it from me it will be from here on out. I can tell you a thousand reasons why. A lot of Defense stamps were released by the Cincinnati Office to the smaller Post Offices recently throughout central Ohio. As far as I can find out all were 1c values but some collectors suspected that a few 2c values had been re-

leased. (These Defense stamps I am speaking of were regular mint stamps.) I mention this because there have been several recent items reported and on the Defense issue and this seems to explain why.—Which is it, I once reported that NEA that neat little overprint that is found on Cleveland precancels meant Newspaper Enterprise Assn. Now I am of the opinion that it is Newspaper Editorial Association. Which is right?

P.O. Department Plans For Centenary Show

Plans for the 1947 International Exhibition are progressing very favorably. The United States Post Office Department and the Bureau of Engraving and Printing, have agreed to participate to the fullest extent. There will undoubtedly be issued a special stamp based upon a design prepared by Leon Helgura, which will contain as part of the design the vignettes of Franklin and Washington. A special souvenir sheet has also been requested, to consist of reproductions of the

actual 5 and 10 cent 1847's on a single sheet. If possible, the dies used for the 1876 reprints will be used. The sheet will be in one color, probably a dark blue so that there will be no danger of these stamps being confused with the original issues. A special envelope will be manufactured right at the exhibition. Designs are being prepared for a special slogan cancellation which will be used in twenty of our largest cities. The American Bank Note Company is preparing a souvenir poster stamp, which will feature the four participating nations — the United States, Great Britain, Switzerland and Brazil. — N. F. S. C.
